

ARTISTS IN MOTION, INC. COMMUNITY PERFORMANCE

Dear Parents & Students,

My name is Samantha Martinez and I will be serving as the Outreach Program Coordinator for AIM's Community Performances for the 2012-2013 school year. I look forward to working with all of you throughout the next year. As a parent of a performer I know schedules can become very busy, but I believe that it is important to take part in these shows because it not only gives you another opportunity to showcase your wonderful talents, but also an opportunity to share and serve within our community. Doing so is an important component of being a member of the performance program here at WSPA. We are very proud of our students and the community so appreciates our giving.

Please consider joining us at our next event...
