Chiara's journey in dance commenced at WSPA when she was just 3 years old. Since then, she has immersed herself in various dance styles, including ballet, contemporary, hip-hop, jazz, and Polynesian dance. Passionate about her craft, Chiara has loved dancing in many regional and national competitions. In recognition of her talent, she has earned scholarships to prestigious institutions such as Ellison Ballet in NYC and the Harid Conservatory in Florida. Currently an upcoming sophomore at San Mateo High School, Chiara is an integral part of the Advanced Dance Team. At WSPA, she hones her skills as a member of the Senior Pre-Professional Ballet, APT, Jazz Company, and the Contemporary Training Program. With a heart set on inspiring young dancers, Chiara aims to cultivate a nurturing environment where her students can thrive.
