Ava began her dance journey at WSPA 11 years ago, starting at the age of 3 in 2013, with her first Ballet & Tap class with Ms. Kira. She comes from a long line of WSPA ballerinas, including her mom, Ashley, and aunties, Amber & Aysia! She recently graduated 8th grade at St. Gabriel School and is excited to attend Saint Ignatius College Preparatory this Fall. She trains in ballet, contemporary, jazz, and hip hop. Notably Ava received 1st Place for her contemporary solo at California Dance Classics in 2023, and is looking forward to the upcoming summer and competition seasons. When she is not dancing, Ava loves to play basketball, flag football and spending time with her sisters.
